The Cardinal Rule

Once upon a time, in a land not far from
here,

the halls were filled with laughing and
cheer.

The "Cardinal Rule" was strong and
proud,

with never a moment that wasn't
loud.

The seniors counted down the
days,

but their pride was shown in many
ways.

The sports shone and rocked the
courts,

Even though there were wins and losses of all sorts.

The memories gained will forever live
on,

the "Cardinal Rule" will never be gone!

The Cardinals had a rough season going 1-7 but the youth of the team shows a bright future. The Cardinals graduated five seniors this season, losing Jason Bennett, Trevor Hokana, Chris Orwig, Bob Arnold, and Brady Fuller. Most of the starters return next season so it will be interesting to see how these young players develop.

2006-2007

Coach Jahner takes a timeout to discuss his next plan of action.

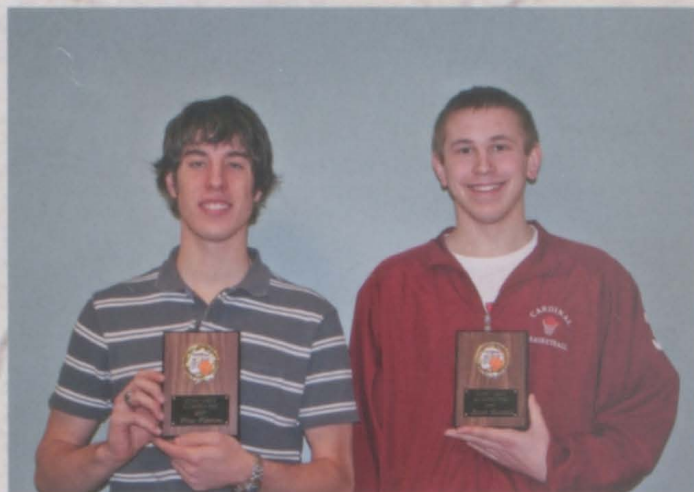

The junior varsity team sets up their offense for an out-of-bounds play.

The Lady Cardinals started their season by taking part in the Stutsman County Tournament. In the tournament the Cardinals placed sixth. Ashley Nelson and Valerie Glynn were selected to the Stutsman County All-Tournament Team.

The Cardinals had a fair season winning about as many as losing. It took the Cardinals awhile to get going again after Christmas break losing to Edgeley 37-50. The Cardinals got back on track winning their next two games against Barnes County North and Ashley. The Cards were now ready to get into district tournament play and were matched up with the Central Prairie Firebirds in the first round. The Lady Cardinals were able to pull off a win during the regular season with a score of 46-42, but this time didn't go in their favor as they lost in a close match with a score of 50-52. The Cardinals then went into the loser bracket where they would have to win their way back to regionals. The Cardinals were dealt the Kulm Gophers in the second round and pulled off a good win with a score of 52-31. The Cards had made their way back to the game that would determine if they would move on to the regional tournament and had to play Edgeley in this tough game to advance. Earlier in the regular season the Cardinals lost to the Rangers. The Cards tried to put that game behind them and pull off a win but fell short by eight points, 42-50. With that win, the Rangers advanced, ending the Cardinal season. Seniors Ashley Nelson and Valerie Glynn were selected to the All-District team.

Congratulations Coach Vance on being voted District 5 Coach of the Year!

Congratulations Kraig Ketterling and Micah Gunther on being selected to the District 5 All District Team!

From the real king and queen, drama queens, sport lords, and all the way to Princess Peach- it must be homecoming 2006. Homecoming week began with an array of students in their finest dress-up clothes in preparation for coronation. Mock coronation candidates revealed super heroes, super stars, and super hairy legs! Once last year's royalty letters were read, Trevor Hokana and Ashley Nelson were crowned King and Queen. Tuesday brought leg warmers, big hair, and crazy colors to the halls on '80's day. Wednesday brought colors of pink and blue in support of Cancer Awareness Day. On Thursday, the true rock stars showed through. Punk rock day was full of black colors, chains, and crazy hair styles; "Rock on!" was the common phrase heard throughout the day. Thursday night brought the burning of the 'O' to get students ready for the big game on Friday. Friday arrived with school spirit buzzing throughout the school, and, of course, the pep rally to finish off the week. As Homecoming week came to an end, spirits were raised by the homecoming dance at the high school gym. The different crowns of Homecoming week 2006 were laid to rest for the year, but the memories they instilled will live on for years to come!

CASPER/SADD has had a busy year. From conventions to carnivals, the group has been hard at work. First a delegation traveled to the state SADD convention in Jamestown, where Bridget Rekow was named the 2007-2008 Student of the Year. The Casper Carnival was a huge success as many people enjoyed games such as fish pond, hoop shoot, haunted house and paintball. This year was a record year for Casper as they racked up more money than any other year.

The local Science Fair this year was quite exciting. Record breakers, tasty food and informational boards was what you would see when you walked down the aisles. 25 students advanced to Regional Science fair in Jamestown. The grand champion for the junior high division was Emily Wang with her project "Water Works." The grand champion in the senior high division was Carly Kinzler with her project "What are you Breathing In?" Ellendale sent 11 students to the State Science Fair where they did very well. Carly Kinzler was selected as an alternate to go to International Science Fair in Albuquerque, New Mexico. Congratulations!

Brason Kappenman was born on March 2, 1993 and passed away on August 2, 2006. Brason enjoyed hunting, wrestling, and being with his friends and family. Brason always had a smile on his face and lived his life to the fullest. In his seventh grade English class, he summed up his beliefs in these words: "I believe in all kinds of things. My first three most important beliefs are God, family and praying. I also think that everything happens for a reason and you can do anything you want to accomplish." Brason will forever be loved and missed by everyone at EHS.

Senior Poem

*By: Stacelyn Pechinpaugh and Katrina Ketterling
With assistance from Brittany Taggart*

Class of 2007 has finally arrived.
The teachers we all survived!
To help understand our class,
Here's a glimpse through the looking glass.

Bob is an athlete,
quick on his feet.
Having fun all the time,
up to the point of crime.

Jon is a farmer at heart.
He and his cap can never part.
He never stops to take a breath.
Talking will lead to his death!

Brady is a big goof.
Sometimes he seems to be aloof.
The Broncos are his favorite football team.
He always looks like he is up to a scheme.

Valerie is our class president;
takes part in every event.
Athletic and academically able;
anything is possible.

Josh is so quiet and shy,
but has the courage to say 'Hi.'
Golf and basketball are his activities.
Always joins in the festivities.

Micah loves basketball the most.
With his skills, he can surely boast.
Always with a smile on his face.
And baseball takes second place.

Trevor was our homecoming king,
and won first in the wrestling ring.
Never missed a day of school.
He was kind throughout his rule.

Katrina loves to do stats.
Always rolls out the welcome mats.
A turtle is her favorite kind of pet.
She is definitely not a brunette!

Kraig laughs out loud a lot;
except when he and Ashley fought.
He plays the trumpet in the band;
his musical talents are grand.

Kyla was Miss Applefest.
She is always well-dressed.
She's a social butterfly,
and Val is always near-by.

Tony is very smart;
his bridge went off the chart!
Always working hard at his studies.
He and Kraig are long-time buddies.

Bill is always blunt.
He always has a new stunt.
He is rarely quiet.
And he definitely has to try it!

Keith always says something clever;
yet he likes to say 'My bad' whenever.
He has always been our classroom joker,
and says 'Forget college. I'm playing poker!'

Brandon, a.k.a. Brock
never uses a clock.
Always seems to be tardy,
but is never late for the party!

Ashley was our homecoming queen.
Between her and Kraig, someone had to intervene.
Talking and laughing with everyone;
enjoys life by having fun.

Chris is always sleeping,
and when he's not, he's eating!
He is very artistic;
and thinks himself to be slick.

Stacelyn came to us from the coast.
Always performs to her utmost.
She is at the college often,
but we see her now and then.

Jessica joined our class this year.
She lived in Nebraska, but now is here.
Plans to become a social studies teacher.
She is our newest feature.

Kayleen likes to socialize.
A different hair color is no surprise!
Risking a little to try something new.
Bob and she are one in two.

Bradley is extremely odd.
People say, 'Oh my God!'
He rarely does his work.
When he got in trouble, he would only smirk.

Cody ranches and farms;
owns a couple of firearms.
Somewhere isn't complete without
another 's';
hopefully it leads him to success.

Jamie has a contagious laugh.
Sometimes she should drink decaf!
She tries to lie all the time,
but she would never commit a crime.

Brittany always has a song.
Her hair used to be very long.
Art is her passion;
anything is her inspiration.

Our class went through the good and bad,
so getting this far, we are glad.
Over this time we have grown together,
but we must part to do something better.

Leaving now will be easier for some,
but we all look forward for what is to come.
Good luck in each of your careers.
Class of 2007 thanks for all the years!
